RE: Consolidated Superfund grant # V-96688701 for the Wilcox Superfund Site Management Assistance, Fiscal year of 2014 for the 1st Quarter (October, November, and December).

Dear Ms. Gibson:

The following is a list of Department of Environmental Quality activities during the 1st Quarter of FY 2014:

Progress

- Continuation of outreach to property owners to inform them about site progress, answer questions and address concerns.
- Started preparing for a public meeting on January 30, 2014.

Problems or Delays

- None

Projected Activities for the Next Quarter

- Continue to communicate with property owners and keep them informed on site progress.
- Preparation of draft fact sheet to provide information on the site.
- Preparation and mailing of a flyer invitation to the open house in Bristow.
- DEQ to host Wilcox Oil Company Superfund Site open house in Bristow on January 30, 2014.
- DEQ will start performing community interviews as a first step in developing a community involvement plan for the site.

If you have any questions regarding this report, please call me at (405) 702-5136.

Sincerely,

A handwritten signature in black ink that reads "W. Todd Downham".
